# Set Your First Objectives

#### **Monthly Objective 1**

I will improve my understanding of visualisation techniques by:

- Going to the PowerBI Gallery
  - https://community.powerbi.com/t5/Data-Stories-Gallery/bd-p/DataStoriesGallery and choosing an interesting visualisation:
    - Find three interesting facts or insights
    - What makes this an effective visualisation?
    - What would you like to change?
- sharing my thoughts with my accountability partner

I will demonstrate I have achieved this by writing key reflections and uploading them as evidence

# Set Your First Objectives

#### **Monthly Objective 2**

I will improve my time management skills by:

- planning my week ahead to make sure my OTJ is always at 100%+
- Using my calendar efficiently to make sure I protect my OTJ time

I will demonstrate I have achieved this by reflecting on "what went

well/even better if" and uploading this as evidence

#### Before we leave the room...

- Fill in the Feedback Survey at <a href="https://applied.whitehat.org.uk/course/view.php?id=187&section=0">https://applied.whitehat.org.uk/course/view.php?id=187&section=0</a>
- Make sure you've logged your 20% OTJ
- Schedule your first meeting with your accountability partner

### **Next steps**

- Have a one to one with your line manager to discuss today's session, support and 20% off-the-job-opportunities that you need.
- 20% off the job planning put time into your calendar! What will you do when? Put a reminder in to track it.
- Meet with your accountability partner to discuss the PowerBI gallery and log the 20% off-the-job.
- Start working on your objectives for our first 1:1 coaching session and log the 20% off-the-job.
